ACHIEVEMENT

NEW PARTNERS AND MARKETS

In 2016, we took our software development projects a step further cooperating with new partners entering new markets, and working in new industries.

INTERNSHIP PROGRAMME TO JOIN US

We organized an internship opportunity for multiple students and gave them a chance to learn, work, and practice on real software development projects which is so crucial.

NEW EMPLOYEES IN OUR TEAM

Following the fast growth of our company, we expanded our core team, tech-stack and hired more employees. Before they started working on our projects and communicated directly with our clients.

ONLINE COURSES FOR OUR EMPLOYEES

Siliconplex has never given up on teaching and preparing new professionals. In the past we did this by organizing offline courses, while in 2021, we also started our online learning strategy.

NEW TEAM BUILDING ACTIVITIES

Siliconplex motto is simple, "We desire, together we achieve". one of our core values has been to become one family and honestly, Our employees care for the success and reputation of the company, which is critical for high-quality software solutions and services.

COMPANY TESTIMONIALS

Siliconplex's commitment to quality, their unrelenting work ethic, and their passion for delivering excellent results have been instrumental in getting our app live. Today, we look back with absolute satisfaction at what we have achieved together, and we can say without any doubt that partnering with Siliconplex was one of the best business decisions we've made.

- Richard (Director - Predictions League)

Siliconplex, did an amazing job. They were super communicative and gave my project a lot of focus and attention. The end result was EXACTLY what I was looking for and he worked very fast. I would definitely hire Siliconplex team again to work on my website. I highly recommend!"

"Siliconplex was great all throughout.

It's really understood the needs and exceeded expectations. This team communication was outstanding and made sure I was happy with everything at every stage. It's also very professional and skilled. It would be delighted to work with him again in the future"

I was happy with everything at every stage. It's also very professional and skilled. It would be delighted to work with him again in the future"

"It's rare that you come across stand-out talent like Siliconplex team. I had the pleasure of working with Siliconplex in this project.

- High quality code with excellent testing skills during development.
- Highly recommended."
